Orientation Meeting:

January 11 UCF Music Department Interns Meeting 5:00 PM; PACM 260

As of Fall 2014, all faculty members are required to document students' academic activity at the beginning of each course. In order to document that you began this course, please complete the following academic activity by the end of the first week of classes, or as soon as possible after adding the course, but no later than January 13th. Failure to do so will result in a delay in the disbursement of your financial aid. The academic activity is attendance and participation at the meeting on Tuesday, January 11th.

Internship I Overview:

During Internship I, interns spend two days per week in classrooms in area schools. Approximately seven weeks are spent in an elementary, middle, or high school setting, and seven weeks in a different school setting. The interns have the opportunity to observe teaching and to work with students in order to gain an experiential background in how schools operate. Supervising teachers observe the interns working with students in various capacities (e.g., micro-teaching, leading sectional rehearsals and warm-ups, teaching full lessons if the intern is capable) and provide meaningful feedback (written and verbal) to

them. By the end of Internship I, interns should have a good understanding of school operations and the role of a teacher. **Interns are expected to submit weekly reflections and bi-weekly assignments.**

Internship Structure and Goals:

After a short period of orientation and observation, interns should be given the opportunity to work with individuals and small groups. When appropriate, they should be given the opportunity to teach short segments of a rehearsal. Having only 14 days with this experience, it is likely not appropriate to expect that interns will be capable of successfully teaching a full rehearsal on a regular basis. Rather, this should be treated as a lab experience to develop working skills the interns will take with them to Internship II.

General Expectations of Music Interns:

1. Demonstrate regular and punctual attendance at assigned placement locations.
2. As much as the schedule permits, attend professional activities in the evenings and on weekends, as well as in-service days with the supervising teacher.
3. Demonstrate professionalism in dress and interactions with others.
4. Demonstrate integrity and responsibility at all times.
5. Maintain effective communication.
 - a. Communicate all anticipated absences to your supervising teacher and University Coordinator ASAP in advance.
 - b. Please notify the University Coordinator of any absences or class cancellations.
 - c. Understand what the supervising teacher expects.
 - d. Coordinate site observations with University Coordinator.
6. Submit the First Day Report to Dr. Miller by the end of the first week.
7. Submit FEAP assignments to Dr. Miller as **email attachments (Last name, FEAP #)**.
FEAP Assignment Due every **second** week
8. Submit written reflections to Dr. Miller via email at the end of **each** week (due Sunday evening).

Observations by University Coordinators:

Interns are observed twice during each placement when possible. The observations are scheduled with the interns and supervising teachers via phone or e-mail. On the day of an observation, time is needed for a brief pre- observation conference and a post-observation conference. Lesson plans, copies of handouts and music being rehearsed should be available for the University Coordinator during an observation.

Evaluation:

The final grade (S or U) will be assigned by Dr. Miller based on the following:

1. Midterm evaluation report from supervising teacher
2. Final evaluation report from supervising teacher
3. Observations & Evaluations from the University Coordinator
4. Timely submission of weekly reflections and bi-weekly assignments

Academic integrity	<p>UCF is committed to promoting a culture of academic integrity where faculty and students work together to meet our personal, professional, and social responsibilities. A degree from UCF is only valuable to the extent it reflects valid assessments of student learning. Misrepresenting your learning on tests, projects, reports, or papers invalidates your grades and tarnishes the credibility of UCF. While collaboration is encouraged in the learning and studying process, you should assume that all tests, quizzes, etc. require your individual effort unless explicitly directed otherwise. Unauthorized collaboration, whether voluntary or not, is cheating. Unauthorized use of materials during a text, quiz, or other assessment is cheating. Regarding papers and projects, one of the core fluencies that students need to demonstrate is the ability to discern information that is common to the public from the intellectual property of individuals. Use of protected ideas, processes, or language without attribution or proper citation is plagiarism. Cheating, dishonesty, or plagiarism is grounds for grade reduction or failure in this course. Please review the behavior standards at: http://www.goldenrule.sdes.ucf.edu/11_behavior.html</p>
The UCF Creed	
Integrity, scholarship, community, creativity, and excellence are the core values that guide our conduct, performance, and decisions.	
Integrity	I will practice and defend academic and personal honesty.
Scholarship	I will cherish and honor learning as a fundamental purpose of my membership in the UCF community.
Community	I will promote an open and supportive campus environment by respecting the rights and contributions of every individual.
Creativity	I will use my talents to enrich the human experience.
Excellence	I will strive toward the highest standards of performance in any endeavor I undertake.
