Grading Policy

It is the assumption of the Professor that each student in this course begins with a clean slate upon which they build and earn points towards their final grade. Grades are not “given” – they are “earned.” Therefore, equal weight will be placed on all assignments for this course.

Any lowering of the final grade due to attendance problems will be completed once all assignment grades have been averaged.

Grading questions should be discussed with the Professor by private appointment only.

The grading scale for this course will be based on the following system:

<table>

Incomplete Grades

The University of Central Florida catalog lists the following information regarding “incomplete grades”:

A grade of “I” (Incomplete) may be assigned by the Professor when a student is unable to complete a course due to extenuating circumstances, and when all requirements can be completed in a short time following the end of the term. The student is responsible to arrange with the Professor for the completion of the requirements of the course. Effective with incomplete grades assigned in the Fall semester 1997 and thereafter, a
student CANNOT graduate from the University with an “I” on the transcript. The incomplete must be changed within one year of the last day of the semester attempted or prior to graduation from the University, whichever comes first. Unresolved incomplete grades automatically will be changed to “F” by the Registrar’s Office. Unresolved “I” grades in courses graded with “S” or “U” will be converted to “U.”

“The Golden Rule”

Violations of student academic behavior standards are outlined in the Golden Rule, the University of Central Florida’s Student Handbook (http://www.ucf.edu/goldenrule/). As a UCF student, you are held responsible for knowing what is listed in “The Golden Rule” handbook.

Rules which I follow for this class include:

- Plagiarism and Cheating of any kind on an examination, quiz, or assignment will result at least in an "F" for that assignment (and may lead to an "F" for the entire course) and will be subject to appropriate referral to the Office of Student Conduct for further action. I will assume you will adhere to the academic creed of this University and will maintain the highest standards of academic integrity. In other words, don't cheat by giving answers to others or taking them from anyone else. I also will adhere to the highest standards of academic integrity, so please do not ask me to change (or expect me to change) your grade illegitimately or to bend or break rules for one person that will not apply to everyone.

- Please be aware I utilize Internet resources to research any paper suspected of being "lifted" or purchased for use in this class. It is easier than you think to discover whether your paper is original or not!! Don’t jeopardize your chances of achieving a good grade in this course simply because you didn’t prepare for any written assignment. In this course I may utilize Turnitin.com, an automated system which Professors can use to quickly and easily compare each student’s assignment with billions of web sites, as well as an enormous database of student papers that grows with each submission. Accordingly, you may be expected to submit assignments in both hard copy and electronic format. After the assignment is processed, I receive a report from Turnitin.com that states if and how another author’s work was used in the assignment. For a more detailed look at this process, visit http://www.turnitin.com.

- As reflected in the UCF creed, integrity and scholarship are core values that should guide our conduct and decisions as members of the UCF community. Plagiarism and cheating contradict these values, and so are very serious academic offenses. Penalties can include a failing grade in an assignment or in the course, or suspension or expulsion from the university. Students are expected to familiarize themselves with and follow the University’s Rules of Conduct (see http://www.osc.sdes.ucf.edu/).
**UCF Creed**
Integrity, scholarship, community, creativity, and excellence are the core values that guide our conduct, performance, and decisions.

**Integrity**
I will practice and defend academic and personal honesty.

**Scholarship**
I will cherish and honor learning as a fundamental purpose of my membership in the UCF community.

**Community**
I will promote an open and supportive campus environment by respecting the rights and contributions of every individual.

**Creativity**
I will use my talents to enrich the human experience.

**Excellence**
I will strive toward the highest standards of performance in any endeavor I undertake.
